MSC M.B. Osborn
Columbus, Ohio

Under the supervision of the Division Officer, LTJG Rick Kane, the men of S-2 Division were kept busy with the ordering, preparing and serving of food in the Enlisted Dining Facility aboard CHICAGO. The addition of MSC Osborn was a welcome one. Chief Osborn brought with him many new ideas in food preparation—enhancing the menu and atmosphere. Our bake shop proved to be as outstanding as ever, satisfying sweet-tooths with a wide assortment of excellent pastries, cakes and pies. The crew enjoyed the fantail cookouts organized by S-2, as well as the assistance they lent in preparing for ship's picnics.
