

AWARDS AWARDS AWARDS AWARDS

HAYLER sailors received a numerous amount of awards during her first deployment. Some of the awards received include Navy Achievement Medals, Good Conduct Awards, Letters of Commendation and Appreciation and Sailor of the Month — Quarter — Year Awards, and a myriad of others. GMG1 Donnie HODGES was named **HAYLER's** Sailor of the Year for 1984. It takes a true professional to earn the aforementioned awards, and so many have earned that distinction. It is impossible to name all those to whom awards were given, however, one thing can be said to all the men who performed so outstandingly and received awards for their efforts; "Bravo Zulu"!
