

HAWAII

Top: Another typical day of fun and the sun along beautiful Waikiki Beach.

Next Page Top: Kaneana was thought to be the birthplace of the world by the ancient people of Hawaii.

Above Left: Hawaii's architecture ranges from colonial castles like this one to modern luxury resorts along the beaches.

Right: Diamond Head rises majestically above the hotels and tourists on Waikiki Beach.

Above: Mountains, Sea and good friends, who really could ask for more?

Left: Examples of Hawaii's Polynesian roots can be found still, such as these native dancers in downtown Waikiki.
